REACH Declaration – List date: 04.02.2026

We hereby confirm that our products comply with the requirements of the REACH Regulation (EC) No. 1907/2006 applicable at the time of production.

To ensure this, we have established written agreements with our manufacturing partners regarding the REACH compliance of all products supplied to us. These confirmations are regularly updated whenever the candidate list is expanded or whenever amendments to the regulation enter into force.

In accordance with Article 56 and Article 33 of the REACH Regulation, we hereby inform as follows:

Our products are classified as articles within the meaning of the REACH Regulation and are therefore not subject to authorisation under Article 56. As a supplier of articles, we are only obliged to provide information (Article 33) if a substance from the candidate list or the list of substances subject to authorisation (according to Annex XIV) is present in a concentration higher than 0.1%

Substances from the SVHC Candidate List (ECHA)

(<https://echa.europa.eu/candidate-list-table>)

Article / Product	Substance	EC-No.	CAS-No.	Comments
UV stabilizer used in polarizers for displays	Triphenyl Phosphate	204-112-2	115-86-6	Information obligation only.

Substances subject to Authorisation (As per Annex XIV, ECHA)

(<https://echa.europa.eu/authorisation-list>)

Article / Product	Substance	EC-No.	CAS-No.	Comments
